## UNMARKETABLE PARCEL SHARE SALE FACILITY

The Directors of Valor Resources Limited (**the Company**) are pleased to announce the establishment of a share sale facility (**Facility**) for holders of fully paid ordinary shares in the Company (**Share**) valued at less than \$500. The Facility is subject to the terms and conditions set out in the attached documents.

A marketable parcel of Shares is a parcel of Shares that has a market value of more than \$500. As at the market close on 15 November 2017 (**Record Date**) the Directors have determined an unmarketable parcel of Shares is any shareholding of less than 20,833 Shares (**Unmarketable Parcel**) based on a price of \$0.024 per Share, being the closing price of Shares on the Australian Securities Exchange on Record Date.

Currently, of the Company's 2,678 shareholders, 941 hold an Unmarketable Parcel. The Company is providing the Facility to allow investors with small holdings to dispose of their Unmarketable Parcel who might otherwise find it difficult to sell their Shares due to the small size of their holding. The Company is also looking to reduce the administrative costs associated with maintaining a large number of small shareholders on its register.

Attached is a copy of the letter to shareholders and share retention form which will be dispatched to all shareholders holding an Unmarketable Parcel of Shares on the Record Date.

16 November 2017

Dear Valor Resources Shareholder,

### **Notice of Intention to Sell Shares of Less than a Marketable Parcel**

Valor Resources Limited (**Valor** or **Company**) is pleased to offer eligible shareholders the opportunity to sell their small shareholding without incurring any brokerage or handling costs.

This offer applies to shareholders who at 5:00pm WST on 15 November 2017 (**Record Date**) were holders of ordinary shares in Valor (**Shares**) valued at less than \$500 based on a price of \$0.024 per share, being the closing price of Shares on the Australian Securities Exchange on the Record Date.

Valor is offering this facility as it provides the following benefits:

- Holders of less than a marketable parcel have the opportunity to sell their Shares without incurring a brokerage or handling cost which, in proportion to the value of their holding, may otherwise render a sale unattractive or uneconomical; and
- The expense and administration involved in maintaining shareholders with less than a marketable parcel is reduced.

The Company has approximately 2,678 shareholders of which approximately 941 hold less than a marketable parcel of Shares that in aggregate represent approximately 0.36% of all issued Shares.

Our records show that you were the holder of less than \$500 worth of Shares as at the Record Date and accordingly your shareholding is eligible to participate in this share sale facility. You may choose to sell all of your holding or retain your existing holding as explained below.

The options are described below:

#### **1. Sell all of your Shares**

If you wish to sell your Shares without incurring brokerage or handling costs, you do not need to take any action.

You may complete the Share Sale Election Form (enclosed), however even if a Share Sale Election Form is not completed, Valor is still authorised under Clause 31 of its Constitution to sell your Shares following the closing date of 5 February 2018 (**Closing Date**). Your Shares will be pooled with other Shares under this facility and sold as soon as practicable after the Closing Date.

Valor will appoint an execution-only broker on behalf of shareholders to effect any sales under this facility.

The price that you receive for your Shares under the Facility will be determined by when and how the Shares are sold. Valor Directors may sell your Shares on market or in any other way they consider fair and reasonable in the circumstances. If the Shares are sold on market the price will depend on a number of factors, including market conditions at the time of sale. You will not have control over the time at which your Shares are sold, the price you receive may be different from the price appearing in the newspaper or quoted by ASX on any day, may not be the best price on the day that your Shares are sold and may be an average price per share based on the price obtained for all the Shares sold under the facility. If the Valor Directors sell your Shares other than on market, the price will be the price that the Valor Directors have been able to negotiate with the acquirer or acquirers.

Sale proceeds will be paid to you in Australian dollars by direct credit if you complete and return the enclosed Share Sale Election Form. Non-resident holders who do not have an account with an Australian Financial Institution and those resident holders who do not return a Direct Credit Facility Form will be paid in Australian dollars by cheque.

There is an option on the Share Sale Election Form to choose to donate the proceeds of your sale to the Australian Red Cross. Amounts less than \$100 which remain unclaimed at the conclusion of the statutory period for unclaimed monies will be donated to the Australian Red Cross.

All costs associated with the sale of your shares will be borne by the Company. No brokerage will be payable by you.

If your Shares are held in a CHESS holding, Valor may, after the Closing Date initiate a holding adjustment to move your Shares to the issuer sponsored sub-register for the purpose of this facility.

Any tax consequences arising from the sale of your Shares will be your responsibility.

## 2. Retain your existing holding

If you wish to retain your existing holding then you must either:

- correctly complete, sign and return the enclosed Share Retention Form so that it is received by 5.00pm WST on 5 February 2018, being the Closing Date of this facility;
- if you hold Shares in multiple holdings, arrange to have these holdings merged into one holding which has 20,833 or more Shares on the Closing Date; or
- make your own arrangements outside this facility to purchase additional Shares so that you are the registered holder of 20,833 or more Shares on the Closing Date.

If you successfully take one of these steps to retain your existing holding, Valor will not be entitled to sell your Shares.
